Swim Lesson Registration Guidelines

- **RESIDENCY:** Swim lessons are for residents only.
- **CANCELLATIONS:** Swim lessons will be cancelled when there is lightning and/or thunder in the area. Please call the pool activity line at 860-665-8766 if the weather is inclement. There are no make-up classes, vouchers or refunds issued for missed or cancelled lessons unless otherwise stated.
- **LEVELS:** Please register your child for the appropriate level as listed below. If your child is registered for an inappropriate level, the child may be moved into a more suitable level (depending on availability) at our discretion, or removed from the program.
- **MINIMUM AGES:** While we understand that ages and abilities vary greatly, we must enforce the minimum age requirements for our programs. Please see level descriptions below for more information.
- **DEADLINES:** Swim lesson registration must be received by the Parks and Recreation office no later than Fridays at 4:30 p.m. for sessions beginning the following Monday. Registrations received after Fridays at 4:30 p.m. will be considered late, and participants will not be permitted to attend lessons until the day AFTER registration is received.
- **REGISTERING FOR MULTIPLE SESSIONS:** If you want to register your child for more than one session, you must register that child for the same level until the child passes that level. For example, if your child is registered for Level 2, you may not sign up for a Level 3 class until your child is notified by the instructor that he/she has passed Level 2. Failure to abide by this policy will result in the cancellation of your child's enrollment.
- **CHANGING LEVELS:** If you register your child for multiple sessions of the same level and the child passes the level, you may move your child into an available class in the next level, stay in the same level, or receive a refund (please note that a \$5.00 processing fee is deducted from any refunds issued). This must be done in person at the Parks and Recreation office, and you must bring your child's certificate showing they have passed.

Music Together® is an innovative, thoroughly researched approach to early childhood music education and is based on the premise that all children are inherently musical. Our goal is to nurture your child's natural enthusiasm for music and movement during the early childhood years when, as with language learning, musical aptitude is at the critical stage of most rapid growth. Music Together is committed to helping families rediscover the pleasure and value of musical activity by providing children with new opportunities to experience and express themselves musically alongside their most important role models: their parents, caregivers and teachers.

Reasons to Register Early!

Many classes are very popular and people know that in order to get a spot, they need to register early. But there are also reasons to register early for classes that don't usually fill up. All of our classes are intended to be self-supporting and we must reach minimum enrollment for a class to run. There is a point (usually about one week before a program starts) that a program must be cancelled if there aren't enough people registered. Very often, people try to register after a program has been cancelled and if they had registered earlier, the program would have run. So, if there's a program that you are interested in...

Please Register Early!
